

## **EHT ELECTRONICS RECYCLING – COUNTY EXTENSION PROGRAM**

Act 108 - Covered Device Recycling Act - CDRA: East Hanover Township has joined forces with Dauphin County Solid Waste Management through an intergovernmental cooperative program to facilitate mandatory electronics recycling. The law which officially went into effect on January 24, 2013 banned the disposal of a covered device by our solid waste haulers. Covered devices include answering machines, fax machines, camcorders, compact disc players, copying and duplicating machines, electric typewriters, laptop and desktop computers, microwave ovens, modems, pagers, printers, radios, remote controls, scanners, stereo equipment including speakers, phones, televisions and VCR's.

Electric irons, lamps and appliances are NOT considered covered devices for this program. Appliances are handled through the bulk pick up program with Penn Waste. Please do not ask or attempt to have the waste hauler violate any laws concerning covered devices.

Residents with covered devices need only to bring the items to the township building at **8848 Jonestown Road**, complete the 'E-Cycling Form' (attached below) and load items where directed. Covered device recycling at East Hanover Township is available at the township office **Monday thru Friday from 9:00 am to 3:00 pm.**

**\*You must be able to independently lift and carry any and all items you bring for recycling.**

### **PLEASE NOTE:**

***STRIPPED UNITS: only complete and covered units will be accepted.***

***TEMPORARY UNAVAILABILITY: once the truck which is used to store recyclables is filled, the truck is used to transport contents to Dauphin County Recycling Center for disposal. On the rare occasions when the truck is full or transporting items we will be unable to accept any electronic recyclables. You may hold the items until the truck returns or these items may be disposed of at the County Recycling Center on 19<sup>th</sup> Street in Harrisburg.***
