P/R Directors Report

- New park rules and regulations will be updated and posted shortly. Need to decide where and how rules will be posted.
- Trail and Greenway Master Plan – Simone & Collins Project group performed a township site visit. Master Plan is underway.

Old Business:

- Memorial Bench is in. Anthea will put in an order to have it set up and assembled. We would like to have this bench installed before the opening Disc Golf Day event.
- Movie in the Park - Great turnout. The picture and sound was PERFECT! No glitches. Well received by the public enjoyed by all. We would like to host a few more movie in the park events throughout the year. Possibly let outside community organization use the event for their fundraising needs by selling snacks, food, soda, water, etc.
- Peach Festival – Went very well. Possibly combine the Peach Festival with a Movie in the park night in August.
- Frisbee Disc Golf – All equipment is in, now we can start building the course. Bridge near basket 14 has been washed down stream during a rain storm. This needs to be repaired and anchored into the ground.

New Business

- Parade rules – Still in negotiation. Guidelines for this event will be set shortly. Will revisit next meeting.
- 2018 Fall Calendar of Events – We would like to bring back Park Day and have additional Movie in the park nights. We would like to keep all current events that we already host.
